LINE # PLEASE INDICATE THE LINE # FOR EACH OF THE ABOVE CONTRACTS THAT REQUIRE FOOTNOTES OR BRIEF EXPLANATIONS.

1. There were only 2 bidders for this contract. The lowest bidder had a preconceived idea of what the program should be doing and how it should be done. Therefore, the best contractor for this impartial review of the Pest Management Alliance Program is the Center for Agricultural Partnerships.

2. The contract with Mr. Benincasa for administrative penalty hearing officer services is sole source because he is a recently retired county agricultural commissioner, has participated in training and evaluation aspects of the Hearing Officer Sourcebook and policies and procedures specific to California's pesticide regulatory program. He has performed approximately 50 hearings for his county and other counties and regularly provides consultative services to other counties pertaining to administrative penalty actions and case file development.
